Year 3 Assembly

This week, Year 3 presented their assembly to pupils and parents. Their theme was the civilization of the ancient Egyptians. The children presented an impressive array of facts ranging from the building of pyramids, to the mummification process and moving onto the discovery of King Tutankhamen's tomb by Howard Carter and his team plus much more! The overall production was very impressive and enjoyed by everyone present. The children were confident and the overall production was simply wonderful to watch. A big thank you to all the Year 3 team for their behind the scenes work with getting the children to recall all the facts and to present these with confidence. Well done everyone!
